

LOVE YOU WITH MY LIFE
MARK MASRI-AMY SKY

I need you
and you need me
theres nowhere Id rather be
than by your side
day and night
I love you with my life

I want you
and you want me
our hearts in perfect harmony
I am yours and
you are mine
I love you with my life

I wish I might
I wish I May
find the perfect words to say
to prove to you
beyond a doubt
youre the one thing I cant live without

I know you
and you know me
Ive known you for eternity
I hold you now
and for all time
I love you with my life

I wish I might
I wish I May
find the perfect words to say
to prove to you
beyond a doubt
youre the one thing I cant live without
I know you
and you know me
Ive known you for eternity
I hold you now
and for all time
I love you with my life
