

TRULY

LIONEL RICHIE

Now tell me only this

That Ill have your heart for always

And you want me by your side

Whispering the words Ill always love you

Bridge:

And forever I will be your lover

And I know if you really care

I will always be there

Now I need to tell you this

Theres no other love like your love

And I as long as I live,

I'll give you all the joy

My heart and soul can give

Bridge:

Let me hold you

I need to have you near me

And I feel with you in my arms

This love will last forever

Chorus:

Because Im truly

Truly in love with you now

Im truly head over heels with your love

I need you, and with your love Im free

Truly

Because Im

Truly head over heels with your love

And Truly

with your love I'm free

Truly
